

creative workshop  
contemporary embroidery  
with Olympia Sideridou

Saturday 14/05/2022  
10 - 12 am

On the occasion of the open doors of my studio, I invite you to a creative workshop with the artist (costume designer, scenographer and teacher at the theater section of the University of Thessaloniki) Olympia Sideridou.

This workshop is based on the theme of plants, nature, insects (spring requires!), Olympia will share with us her various sources of inspiration, she will guide us in sketching, then in the choice of colors and finally in the realization of our own pattern and its possible uses.

Participation fees including all the material: 25 euros.

(You are also invited to bring your own pieces or scraps of fabric as well as the spools of yarn lying around in your drawers...)

Workshop limited to 6 people, wearing a mask is compulsory.
